

# Academy of Wheeler Clinic

Helping students achieve their potential.

## About The Academy:

---

The Academy of Wheeler Clinic is a therapeutic day school designed especially for special education high school students through age 21, who exhibit social, emotional adjustment, learning and/or behavioral challenges that have resulted in a Planning and Placement Team decision to seek placement outside of a traditional school setting.

The Academy offers:

A team approach led by highly trained special education teachers, psychotherapists, psychiatrists, nurses, speech and language pathologists, clinicians, occupational therapists and para-professionals

Individualized programming designed to build on each student's learning style and unique strengths to address their complex educational and mental health needs

Close collaboration and communication between students, families, school districts and community providers involved with referred students

Small group instruction

Full range of clinical services to meet students' needs in one setting

## We serve students and their families in:

---

Middlesex and Hartford counties, surrounding area school districts and shoreline school districts
