GROWTH

Therapeutic Foster Care Programs license families who welcome children who cannot live with their own families, providing extra supports for the placement of children with special behavioral health or medical needs.

Early Childhood Services like Child First and Parent Connections, provide a continuum of support that engages young children and their families in the vital first few years of life, ensuring children can learn and grow, promoting wellness and supporting developmental success.

Education Services. Northwest Village School offers innovative learning environments for children and teenagers with serious behavior challenges. Wheeler also offers flexible and comprehensive in-district solutions for school systems and families.

Multidisciplinary Evaluation Services that foster collaborative relationships with schools, community providers, and families dealing with autism spectrum disorder and complex psychiatric, behavioral, cognitive, social, emotional, and/or educational situations.

24-Hour, Homelike Congregate Care in a variety of settings for children who cannot live with their own families but need other resources or to stay connected to their parents and communities while they work out their problems. Wheeler also provides short-term crisis stabilization placement for youth who need immediate intervention and help during an emotional or behavioral crisis.

Prevention and Education Programs to reduce substance use disorder, violence, bullying, and child abuse, which promote child development, wellness, successful parenting, and positive youth development.

Employee Assistance Programs serve employers who contract with Wheeler for consultation, training, and counseling for employees whose personal problems interfere with job performance.

Our Mission

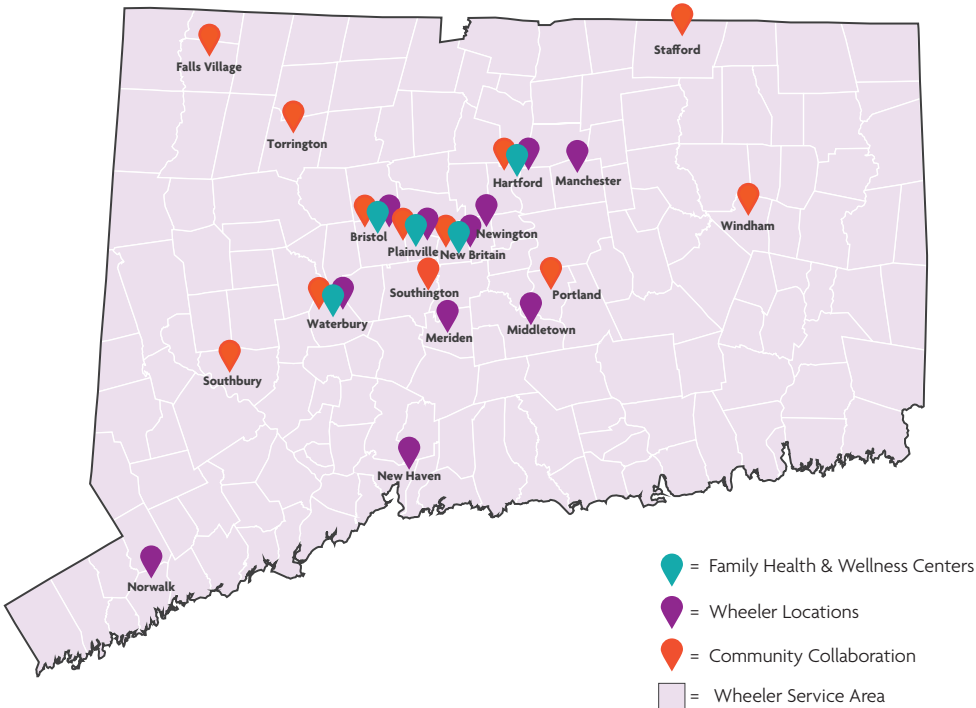

Wheeler provides equitable access to innovative care that improves health, recovery, and growth at all stages of life.

Our Vision

All people will have the opportunity to grow, change, and live healthier, productive lives.
