Adult Outpatient Services

LIFE'S MOST CHALLENGING SITUATIONS SHOULDN'T BE FACED ALONE. WE'RE HERE TO HELP.

We offer an array of outpatient programs for adults and families that include individual, group and family therapy to address problems associated with substance abuse, depression, anxiety, anger management, domestic violence, grief and loss, and other mental health issues. Our staff includes a broad range of professionals: licensed addiction counselors, clinical social workers, marriage and family therapists, psychiatrists and other treatment specialists.

OUR APPROACH:

- Wheeler employs gender-specific, trauma-informed, person-centered approaches to care and evidence-based practices, including cognitive behavioral and motivational enhancement approaches and strategies for addressing specific needs.

OUR PROGRAMS:

- **Adult Outpatient Recovery Services** - individual, group and family therapy to address problems associated with substance abuse, depression, anxiety, anger management, domestic violence, grief and loss, and other mental health issues.
- **Bettor Choice Gambling Treatment Program** - an outpatient program that serves problem gamblers and those affected by the gambling problem of a loved one.
- **Community Response Team** - available 24 hours per day, seven days per week, to provide crisis intervention, early intervention and hospital diversion to people in crisis.
- **HelpLine** - a confidential telephone counseling service, available 24 hours a day, 365 days a year to residents of Central Connecticut, Greater Hartford and surrounding towns.
- **Latino Outreach Program** - offers a combination of services designed to identify and support Spanish speaking men and women who are at risk for substance abuse.
- **LifeLine** - provides treatment, support and assistance to women who have both substance abuse and mental health challenges as they progress through their recovery.
- **Older Adults Substance Abuse Recovery Program** - offers counseling and other services for people 60 and older in a group setting.
- **Transitional Case Management** - helps men with substance abuse issues transition back to the community following a period of incarceration.
