

THE CARE YOU DESERVE

The best care happens when you find a provider who makes scheduling appointments easy, at a location that is convenient, and who listens to your concerns and questions. You deserve to have your family's health be the top priority. The Wheeler Health & Wellness Center was designed to serve patients of all ages in our local community.

Same-day medical services.

Services in both English and Spanish.

Medicare, Medicaid and commercial insurance accepted for primary care services. *Dental services coverage varies.*

A sliding fee scale is available based on family size and income. No patient will be denied health care services due to an individual's inability to pay for services.

THE CARE YOU EXPECT

Your family has unique needs. Wheeler's Health & Wellness Center provides high-quality, **same-day**, patient-centered care for your busy life.

- **Primary care (walk-ins welcome) for all ages**, by a team of providers who focus on your total health. This gives you the information to make the best decisions for YOU.
- **Comprehensive well-child care** for newborns, children and adolescents, including **immunizations**
- **Physical examinations**, including for school, sports and camp
- **Women's health** care
- **Behavioral health** care services.
Walk-ins welcome for first time appointments for adults between 10 a.m.–2 p.m.
- **On-site preventive dental care** and coordination and referral for other services
- A range of **addiction treatment services** including **medication-assisted treatment**, tobacco cessation services and recovery supports.

THE CARE THAT TREATS THE TOTAL YOU

Your health is the sum of many complex physical and emotional parts. Our team provides comprehensive services that address your complete needs with an *emphasis on preventive, whole-person care.*

We work closely with you to identify, prevent, and treat some of the most treatable and manageable chronic health conditions and issues.
