

THE CARE YOU DESERVE

The best care happens when you find a provider who makes scheduling appointments easy, at a location that is convenient, and who listens to your concerns and questions. You deserve to have your health be the top priority. The Wheeler Health & Wellness Center was designed to **serve patients ages 18 and older** in our **local community**. Referrals for pediatric services are also available.

Same-day medical services.

Services in both English and Spanish.

Medicare, Medicaid and commercial insurance accepted.

A sliding fee scale is available based on family size and income. No patient will be denied health care services due to an individual's inability to pay for services.
